

X INTERNATIONAL ONCOLOGY SCIENTIFIC CONFERENCE

ANNOUNCEMENT

Jan Grodek State University in Sanok
invites You to the
10th International Oncology Scientific Conference
titled *„Prevention as the basis for effective treatment and care in cancer”*,
which will take place on April 7–9, 2025, in Sanok

The aim of the Conference is to exchange knowledge and experience in the field of cancer diseases, taking into account risk factors, prevention, diagnosis, professional care, treatment, rehabilitation, and educational activities. The Conference also aims to promote international cooperation and raise public awareness of the importance of prevention.
